Consultant: Louisa Clapper

Email: lclapper.cfas@memlane.com

Phone: 403.793.0215

Fax: 403.504.2459

Caregivers of children who have or are suspected of having FASD face a variety of challenges resulting from the child's disability. An FASD Consultant can assist caregivers by:

- Providing information about the disability
- Identifying inappropriate interventions
- Helping to access available supports related to the disability
- Advocating for the child with other service providers to foster collaboration and optimal service delivery for the child

An open referral process is in place, referrals are gladly received from agencies, professionals, and directly from families. Consultation and assessment services are voluntary, confidential and free of charge.

Hours of Operation: By appointment please call for information

» **Southeast Alberta Home Visitation Programs**

716, 2nd Street West, Brooks

Phone: 403.501.3862

Best Babies is a program that offers support and promotes healthy choices for you and your baby. Service is free and confidential.

Building Blocks is a program for families which promotes the health and social development of children ages 0-6 years. "Parenting does not always come naturally. At times we can be unsure of how to proceed in one or more areas. Sometimes we just need to talk to someone about a problem."

Healthy Start is an in-home support service for families with newborns or who are pregnant that promotes positive parent-child relationships and healthy childhood growth and development.

BCIS is a non-for-profit volunteer organization, which provides settlement and integration services to all immigrants, refugees and temporary foreign workers. The services offered comes under three categories:

1. The Integrated Service Program (ISP), which provide ongoing settlement, integration and employment services to refugees and immigrants.
2. The Temporary Foreign Workers (TFW) program, which provide a wide range of services to the temporary foreign workers and their employers in our community.
3. The Community Outreach and Volunteering program, which facilitates the development of partnerships and collaboration with community organizations and individuals for the benefit of BCIS clients. The program also introduces the concept of volunteerism to BCIS clients.

Home care staff co-ordinate and provide health and support services to enable individuals to remain in their own homes. The program provides for continuity of care between hospital and home and promotes self-care and independence. All residents of Alberta who hold a valid health care card and whose needs cannot be met at home are eligible. There is no cost for Home Care services and anyone can refer an individual to our program or the individual can refer themselves. All referrals are followed up.
